William Thomas Long - December 01, 2016

8

1 Manley, Mr. Berk, Brad and -- and then the officers  
2 present were Joel Rich, Baggett, Jason -- Ty  
3 Baggett, excuse me, Jason Scallorn, Tyler Price and  
4 myself.

5 Q. All right, sir. Where did that meeting  
6 occur?

7 A. Southaven Police Department.

8 Q. And Brad is an attorney with Mr. Huskison?

9 A. Yes, sir. I'm sorry. I don't know his  
10 last name.

11 MR. HUSKISON: It's Brad Dillard.

12 BY MR. EDWARDS:

13 Q. All right. Did you investigate the  
14 circumstances of Troy Goode's detention, restraint  
15 and death?

16 A. We did, sir.

17 Q. And what did you do to investigate?

18 A. We looked at our policies, procedures,  
19 took statements from the officers, had detective --  
20 our lieutenant over the detective bureau at that  
21 time. And we discussed his findings at that point.  
22 And also we discussed them with the district  
23 attorney's office.

24 And the other steps I took, I talked to  
25 someone at the attorney general's office in Jackson.

William Thomas Long - December 01, 2016

1 I do not remember their name at this time. And I  
2 spoke with our resident FBI office across the street  
3 in Southaven City Hall regarding the case.

4 Q. Okay. So you talked to the State Attorney  
5 General --

6 A. Yes, sir.

7 Q. -- in Jackson and also the local DA?

8 A. Local DA, Mr. John Champion.

9 Q. And somebody with the FBI?

10 A. Yes, sir. Mr. Tom Bolhke, Southaven  
11 Office of the FBI.

12 Q. Tom -- what was the last name, please?

13 A. Bolhke.

14 Q. How do you spell that?

15 A. B-O-L-H-K-E, I believe, sir.

16 Q. All right. Did you give written  
17 statements to anyone?

18 A. No, sir.

19 Q. Were the statements of officers given to  
20 the state attorney general, FBI or the local DA?

21 A. I know they were not to the state attorney  
22 general's office. I know they were not to the FBI.  
23 And I am not sure, sir, whether they were given to  
24 the district attorney's office.

25 Q. Were there any criminal investigations

William Thomas Long - December 01, 2016

1 undertaken as a result of the death of Troy Goode?

10

2 A. We attempted to do a criminal  
3 investigation. I discussed -- that was one of the  
4 discussions with the district attorney's office.  
5 From the police perspective, we had a death  
6 involving narcotics, drugs. And so that discussion  
7 was with the district attorney, at which point he  
8 stated he did not feel we would be successful in  
9 prosecuting due to Mr. Goode's participation.

10 Q. All right. What about the state AG? Did  
11 they make any such determination?

12 A. No, sir. They were not interested in the  
13 case.

14 Q. FBI?

15 A. Not interested in the case.

16 Q. Okay. Did you represent to the law  
17 enforcement authorities that you've referenced that  
18 Mr. Goode died of complications of LSD injustice --  
19 ingestion?

20 A. No, sir. At that time, we did not know --  
21 this was all within like 24 hours of the death. And  
22 we -- we were awaiting autopsy results back. So we  
23 were not sure what had happened at that point.

24 The main issue that came up where the AG's  
25 office was concerned and where the FBI was concerned

William Thomas Long - December 01, 2016

1 was where Mr. Goode was. And when it was related to  
2 them that the actual death had occurred at the  
3 hospital, approximately 45 minutes to an hour after,  
4 that was not a case they were interested in.

5 Q. Did they indicate to you that they in some  
6 way viewed the responsibility for the death of  
7 Mr. Goode as being that of the hospital?

8 MR. MCINTOSH: Object to form.

9 A. No, sir.

10 THE WITNESS: Oh, sorry, sir.

11 MR. HUSKISON: You can answer.

12 A. No, sir. Most of what they were  
13 interested in was had Mr. Goode been placed  
14 unattended in -- in a police vehicle or in a cell.  
15 And they said barring those two facts within the  
16 death occurring at another location and not in  
17 police custody, neither one of them viewed that  
18 there were any civil rights violations and,  
19 therefore, they would not proceed.

20 BY MR. EDWARDS:

21 Q. Were they aware that police officers were  
22 in Mr. Goode's hospital room the entire time?

23 A. Yes, sir.

24 Q. And those two officers were who?

25 MR. HUSKISON: I think it was just one
